## New Fare Options Launched February 2008

(Check [www.burlington.ca](http://www.burlington.ca) or call BusLINE 905-639-0550 for details and launch information)

Burlington Transit (BT) is pleased to announce the launch of several new fare payment options effective February 2008:

- Day Pass for seniors, adults & students; and a
  - Weekly Pass for seniors, adults & students.
- These new paper passes will utilize "scratch" technology enabling transit users to remove the film uncovering the appropriate date(s) and/or month prior to boarding the bus.

In addition to the above passes BT is also introducing, (effective February 2008) a special new GO Transit Fare Integration Paper Pass\* to be used exclusively by regular commuters using the GO rail system only. No more digging for those quarters to pay your \$0.50 GO integration fare on BT.

Refer to our "Fare Schedule" for complete pricing information.

(\*GO monthly pass valid to/from rail stations only - MUST be shown in conjunction with current valid GO fare media upon boarding the bus. Check website for full details)

### Dial-a-Ride

Dial-a-Ride replaces regular bus service with taxicabs on Routes 8A, 9, 11, 12A, 15 and 15A during hours when ridership is low.

**Leaving Home - Travelling from or within the Dial-a-Ride Service Area:**  
Call Dial-a-Ride dispatch at 905-333-1113 about 30 minutes before you need the pick-up. Tell the dispatcher when and where you will be travelling and the nearest bus stop. A taxi will pick you up at the bus stop and take you to the nearest bus stop where regular bus service is operating.

Pay the taxi driver either regular cash fare, a BT paper ticket, or show your BT paper monthly pass so the driver can record your pass number. If you are transferring onto a BT bus, ask the taxi driver for a special Dial-a-Ride transfer.

### Getting Home - Travelling to the Dial-a-Ride Service Area:

To transfer from a regular bus to a Dial-a-Ride taxi, tell your bus driver when you board the bus. The driver will book a taxi, give you a transfer and take you to the appropriate transfer point. The taxi will take you to your nearest bus stop. Or you can call the Dial-a-Ride dispatcher before boarding the bus. Visit our website or obtain a Dial-a-Ride Individual Route Map for more details.

### 90-minute Transfer Policy

Burlington Transit's transfer policy allows you ninety (90) minutes free travel in any direction, on any regular service fixed route (excluding dial-a-ride service). You can even make round trips on one fare as long as you board the return bus before the time on your transfer expires. Remember you must get your transfer when you board, and only you may use it. The passing of transfers to others, for payment or otherwise, is strictly prohibited. Expiry time is ninety (90) minutes from the route starting time, not the time the transfer was issued upon boarding the bus.

For additional information, please go to our web site at [www.burlington.ca](http://www.burlington.ca) or contact Customer Service via our **BusLINE** at 905-639-0550.

### Free transfers between Hamilton and Oakville
